"LAND REGISTRY ACT."

HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that, pursuant to subsection (2) of section 253 of the "Land Registry Act," the following regulations be made with respect to the registration of title comprised in any lease derived from the Crown in the right of the Dominion of part of the foreshore or bed of Burrard Inlet described as follows: All the foreshore and bed of Burrard Inlet and the area adjacent to the entrance thereto lying east of a line drawn astronomically from the south-west corner of the Capilano Indian Reserve No. 5 to high-water mark of Stanley Park.

(1.) The Registrar of the Vancouver Land Registration District shall open a book to be called the "Register of Crown Leases (Dominion)," hereinafter referred to as "the register."

(2.) Upon application being made under the provisions of the "Land Registry Act" for the registration of title comprised in any lease of part of the foreshore or bed of Burrard Inlet as hereinbefore defined, derived from the Crown in the right of the Dominion, or any instrument of assignment, sub-lease, or mortgage thereof, and where no Certificate of Indefeasible Title has been issued covering the land comprised in the lease, the Registrar, upon being satisfied that the applicant has a good safe holding and marketable title thereto, and upon deposit of the original lease or other instrument in his office, and upon payment of the same fees chargeable under the "Land Registry Act" upon registration of leaseholds and charges in cases where the fee-simple has been registered, shall register the title claimed by the applicant by entering a memorandum of the lease, assignment, sub-lease, or mortgage in the register; but no instrument purporting to create a charge under an assignment, sub-

lease, or mortgage shall be registered unless the lease or charge upon which the same depends has first been registered.

(3.) The entry of the memorandum in the register shall constitute registration and have the same effect as if the Crown in the right of the Dominion had applied for and obtained a Certificate of Indefeasible Title to the lands dealt with by the lease, and the lease were registered against the title in accordance with the provisions of section 163 of the "Land Registry Act."

(4.) Where an application is made for a Certificate of Indefeasible Title to any land comprising any part of the foreshore or bed of Burrard Inlet as hereinbefore defined and there are entries in the register affecting such land, the application shall be subject to such entries and the Registrar upon issuing a Certificate of Indefeasible Title to the land shall forthwith register the title created by the entries in the register by endorsing a memorandum thereof on the Certificate of Indefeasible Title and on the duplicate Certificate of Indefeasible Title if it has been produced, effective from the time of registration and in the same order of priority as the entries are made in the register, and thereupon the register in so far as it affects the land in respect of which the Certificate of Indefeasible Title has been issued shall be closed.

(5.) The provisions of the "Land Registry Act" shall *mutatis mutandis* extend to and apply to registrations applied for and effected under the provisions of this order.

It is further ordered that the above regulations shall become effective on the completion of publication in five issues of the Gazette.
